Re: Camp Chief Report Remembrance Camp 2004

The Overnight Camp for The Remembrance Day Service was held at Boy Scout Headquarters "Hazelwood" from November 13th to 14th 2004.

In attendance at the Camp were:

23 Scouts
1 Venture Scout
8 Leaders

The Campers started to arrive at 6 pm. They were given a meal which was provided. At 8 pm they were briefed by the Camp Chief. The Scouts' Uniforms were inspected by the Camp Chief and the Detachment Commanders, to ensure that they were presentable for Parade. They were taken through a brief drill session and then were allowed to go and rest. Lights out was at 10 pm.

Camp rise was at 4 am. The campers showered, and got breakfast and then prepared themselves for the arrival of the bus, to take them to the Elsie Payne Complex.

The Detachment arrived at the Elsie Payne Complex at 6:15 a.m and fell in under the command of Mr. Steven Hinds A.S.L. and Gregory Reeves.

During the Parade seven members of the detachment fell ill. I suspect this was due to the high humidity of the morning.

The Campers had a meal after they returned to camp and assisted in reorganising the Ground Floor of the Building for School the following Day. The Camp was dismissed at 10.30am.
